Dear Governor Scott, President Negron, and Speaker Corcoran:

Section 655.968, Florida Statutes, requires the Office of Financial Regulation ("OFR") to submit a report by January 31, 2017, regarding the status of the certification of compliance received from the financial institutions chartered in this state. Please accept this correspondence as the OFR's annual report of certification compliance.

The OFR is pleased to report that all state chartered financial institutions, as required by Florida Statutes Section 655.968, timely complied with the reporting requirements for 2016. Each state financial institution certified to the OFR that the institution has adopted and substantially complied with the due diligence policies, procedures, and controls set forth in 31 C.F.R. Part 561, Subparts B, C, and D, and the rules adopted by the Financial Services Commission. Each state financial institution also certified that, to the best knowledge of the financial institution, the institution does not maintain a correspondent account or a payable-through account with a foreign financial institution that knowingly engages in any act described in Section 655.968(2), Florida Statutes.

A copy of the applicable administrative rule is attached and a copy of this annual compliance report is available on the OFR website.
